About Institute

Adarsh Institute of Technology (Polytechnic), Vita is one of the most reputed polytechnic institute in pune region and known for its excellent record in academics and co-curricular activities. The institute offers Diploma Program in CE, EE, EJ, CM and ME.

About Department

The department of Civil Engineering is established in 2008 with an intake capacity of 60. Civil Engineering Department is well equipped in term of Infra structure, Laboratories and well qualifies faculties. We are always trying to provide competent human resource to industry & society through quality technical education.

Department Vision

To produce **competent** civil engineers by providing quality technical education to meet the requirements of industry and society.

Department Mission

1. **Apply** engineering knowledge to **execute** civil engineering projects.
2. **Develop** civil engineers with sense of social responsibilities and **provide** solutions for real life problems.
3. **Motivate** and **facilitate** students for continuous improvement

Programme Objective

Nowadays details of surface characteristics of earth can be measured more accurately and quickly using many modern survey equipment's like Total Station, GPS etc. Undertaking geographical survey with total station reduces time and man power with more accuracy.

This workshop mainly provides demonstration and hands on training in the uses of total station. Mainly this workshop aims to following objectives:

1. To Set up the total station.
2. To know the procedure to measure horizontal & vertical angles between the given lines by using total station.
3. To know the procedure to measure distances and coordinates of the given points to prepare plans by using total station

Programme Content

1. Introduction of total station.
2. Set up of the total station.
3. Measuring the angles by using total station.
4. Measuring distances between two points.
5. Carry out survey for closed traverse.

Resource Persons

- ✓ **Mr. Sarang Mandavkar**,
Consulting Engineer, Scale Associates, Vita.
- ✓ **Mr. Shardul Pawar**
Land Surveyor, Karad

Registration

Registration Fee:

Students: Rs. 250/-

Technical Staff: Rs. 300/-

- ✓ Diploma Students of Civil Engineering
- ✓ Technical staff (Lab Assistant) of Civil Engineering

The registration fee may be paid by cash or Demand Draft (DD) in favor of "**Principal, Adarsh Institute of Technology (Polytechnic), Vita**".

The application for the participation in the programme should made in the form given in the brochure. Prospective candidates may please return the completed application on or before Wednesday, 12th September 2018. Registration through Email is also welcome.

Important Dates

- ✓ **Last Date for Registration: 12th Sept. 2018**
- ✓ **Programme: 17th & 18th Sept. 2018**
